RESPONSE UNDER 37 CFR 1.312

Applicant acknowledges the Notice of Allowance with a mail date
of January 12, 2007.

The Notice of Allowance incorrectly indicates the oath is deficient,
as not being signed by all inventors. Examiner Ishrat Sherali indicated in a phone
conversation on Tuesday, January 23, 2007, that the oath had been signed by both
inventors and that the Notice of Allowance stating that a substitute oath is
required is not necessary.

Returned herewith is a copy of the signed oath, also attached is a
copy of the return postcard that was filed with the application. This postcard
indicates that the Declaration was attached with the original filing on August 18,
2000.

We appreciate Examiner Sherali's assistance with this matter and it is respectfully requested that this application is now in condition for allowance.

Respectfully submitted,

Attorney for Applicant(s)
